[JAETS] Editor Decision

2021-11-16 02:56 PM

Yuda Irawan:

We have reached a decision regarding your submission to Journal of Applied Engineering and Technological Science (JAETS), "Voice-Based Home Security and SMS Gateway Using Arduino Uno Microcontroller And Passive Infra Red Sensor".

Our decision is to: Accept Submission

Reviewer A:

Title is appropriate for this journal

Abstract summarize the article clearly and effectively

objectives set clearly

the issue stated clearly

the literature review adequate/ need to be improved with add more previous research around 30,50 article)

[JAETS] Editor Decision

2021-11-16 02:56 PM

Yuda Irawan:

We have reached a decision regarding your submission to Journal of Applied Engineering and Technological Science (JAETS), "Voice-Based Home Security and SMS Gateway Using Arduino Uno Microcontroller And Passive Infra Red Sensor".

Our decision is to: Accept Submission

Reviewer A:

Title is appropriate for this journal

Abstract summarize the article clearly and effectively

objectives set clearly

the issue stated clearly

the literature review adequate(need to be improved with add more previous research around 30-50 article)

the design of the research appropriate, and the exemplary is Suitable

the methodology consistent with the practice (average)

the findings expressed clearly

the language clear and understandable

Recommendation: Accept Submission

Reviewer B:

please remove indonesian language at title

Introduction is good

literature review add more some research about microcontroller

Research method is suitable

discussion is good

Recommendation: Accept Submission
